It is impropriety to fool around!
YingNing do you have a better method?

Tn it doesn t l terally mean flatten and tw st her t actually mean to man pulate her

Hehehe, although the Divine Mirror has identified its host, but she is merely a mortal, to twist or flatten her is all at our will.*
As long as we make her stay, it will be right and proper to say that the Five Reincarnation Mirror belongs to our Xuan Ji Sect.
YingNing Shi Mei* is absolutely right! Instead of killing the host of the Divine Mirror, and being subjected to bad rumors, why don't we make use of her.

Tn someone under the same sect or master as you and has jo ned after you and s a g rl So l ke a l ttle s ster but connected through the sect or master

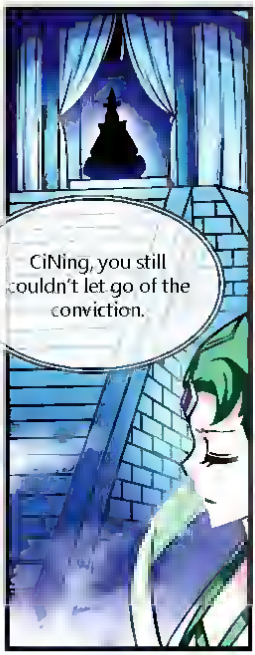
Chong-Er, this teacher will clear away every obstacle only to hope that you can wholeheartedly walk on your path of immortality



CiNing, you still couldn't let go of the conviction.

When QingYa'Ancestor brought back the Five Reincarnation Mirror 1,500 years ago, the mirror never acknowedged a host, and our sect

However, what you people didn't know about was that, before the ancestor levitates heavenwards he left the message -----
This mirror has its own destiny, it must await the fated person.
Could it be this girl is the fated person?
You better believe it is, but do not believe it isn't.
This matter should not be delayed, we will inform this girl the tremendous relationship between them. Where is she now?
Oh no!
My pupils have put her.....in the Dragon Wade Pit!

Tn search it up What gremlin means

Dragon Wade Pit: A prison used to imprison felons. Not only does it have gremlin' chaos, it is further installed with Heart Demon Spell, once you have fallen into it, light offenders will be driven to madness, extreme offenders will not be able to endure it and will choose to ..... suicide!}

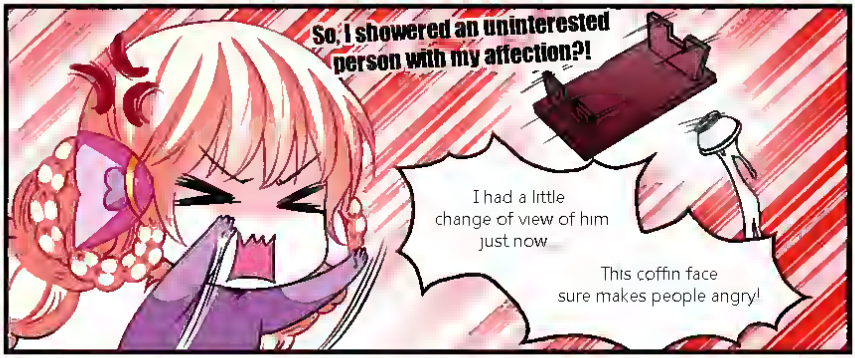
What are you looking at, do you think I am afraid of you!
She's only a normal mortal, what peculiar places does she have?
He certainly is someone engaged in the path of immortality, his injuries healed so fast.
Urg, my eyes hurt

Thank you for last time I heard you got hurt because of me
Don t misunderstand
I went to Hundred Beast Valley for a breakthrough, my only goal is to become stronger..



So, I showered an uninterested person with my affection?!
I had a little change of view of him just now
This coffin face sure makes people angry!

Let me advice you on one thing, if you want to live, then you should work hard and become a pupil of the Xuan Ji Sect.
But with your qualifications, it is only going to be a delusion!

Thinking
Or maybe you can stay here and do miscellaneous jobs.
Did this guy come here just to anger me?

Don't look down on me!
I'll definitely be accepted!
I'll be waiting for you at the entrance exam three days later!

Soar
Hey! Wait! Just what did you come here for?

Bring me out!
As expected, I really hate that guy!
